Please read the following safety information sign and then comply with the guidelines

On entering the showground follow the directions given at the gate and keep to the 5 mph speed limit when driving to your required position, whilst manoeuvring into position, be aware of other exhibitors and unload in a careful manner. Take note of any information given by your section Steward. **Do not** leave unnecessary equipment lying around i.e. ropes, timber blocks or tying down equipment. When in position look for any safety problems that may arise adjacent to your area, if these are obvious please report them to the safety officer, if everybody does this then double checks are carried out and accidents are prevented. Once in position do not move your vehicle without the permission and guidance of the steward. During the show should you see any situations that need attention of the safety officer, please inform your own steward or the safety officer as soon as possible.
